

Adoc Talent Management

Adoc Talent Management is the first firm specializing in career management focused on research personnel and doctoral graduates from all disciplines. From the very beginning, our team has been rooted in the innovation ecosystem, driven to promote the competencies of PhDs. Adoc Talent Management is based on three main activities:

- Recruitment
- Training
- Research and studies

We provide recruitment consulting services to companies, public sector organizations and associations, giving us an in-depth understanding of the expectations of both recruiters and PhDs.
